

2020 Molong Junior Window Show

The Molong Show Committee just couldn't let a year go by without our beloved Show so we decided to put forward an alternative to give the kids a memory of a Molong Show.

Bank Street businesses and building owners have jumped on board to lend us their shop windows for a week to display the exhibits from 19th to 26th September (our Annual Show was to be held 20th September).

- All 37 classes are FREE to enter this year as the exhibits are for display purposes to show the town, families and visitors our young local talent so no judging will be conducted.
- All participants will receive a monetary prize generously donated by Cabonne Council and a certificate from the Molong Show Society.
- All participants are encouraged to display/attach their name to the FRONT of their exhibits for everyone's viewing pleasure.
- One entry form to be filled out per participant and entry form to be submitted WITH the exhibits of Fruit & Vegetables, Craft etc. at the Bank Street kiosk next to Spar supermarket on Friday 18th September from 8am.
